In co-operation with

and

EURACHEM, in cooperation with CITAC and EQALM, cordially invite members of the international analytical community to their 8th Workshop, which aims to emulate the successful workshops held previously. The Workshop is being organized by the EURACHEM Proficiency Testing Working Group.

Location:

The Workshop will be held in Berlin, Germany. Berlin is an exciting city of contrasts. Forever evolving it provides a countless variety of historical and modern attractions. Berlin has over 170 museums, making the city one of the world's prime locations for first-rate historical art collections, cultural exhibitions as well as museums of science and technology. Berlin has good airline connections. The workshop will take place in andel's Hotel Berlin.

Technical Programme:

Four days will be devoted to training courses, invited lectures, short communications, poster sessions and working group discussions. The official language of the Workshop will be English. As in previous workshops, proposed abstracts will be subjected to approval by the scientific committee and amended where necessary to improve English expression. Invited lectures and accepted communications/posters will be considered for publication as full papers as a topical focus in an issue of Accreditation and Quality Assurance (Springer Verlag), subject to peer-review.

Important Dates for Authors are:

Abstracts due: **31 May 2014**

Notification for acceptance: **15 July 2014**

Format of the abstracts will be provided on the conference web site.

Training Course (6 October 2014):

Two sessions on the topic "ISO 13528 and beyond" will be held on Monday, open to workshop participants only. The number of available places is limited. Trainers: Marina Patriarca, Piotr Robouch
Registration fee: 120 €

Lectures and Working Group Topics (7-9 October 2014):

- Review of ISO/IEC 17043
- User perspective of PT
